

Taco Bell – Williams Blvd. Cedar Rapids

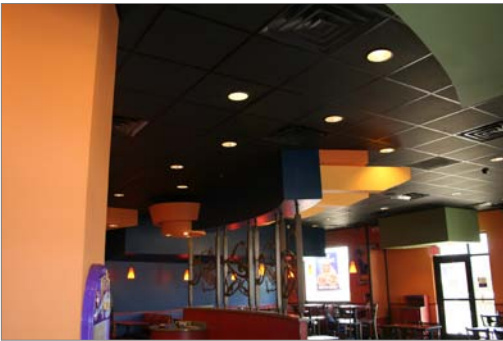

Location: Williams Blvd. SW
Cedar Rapids, Iowa

Completed: Fall 2007

Size: 3,000 s.f.

Construction: Wood framing with
EIFS & cultured stone

Developer:
Timberline Management, Inc.
John Sapp

At Brost Architects and Planners, we have a long standing relationship with area Taco Bell franchisee, John Sapp, and have developed restaurants of varying sizes and scopes throughout eastern Iowa.

For the Cedar Rapids southwest side project, a larger restaurant with expanded seating areas was chosen. This was decided on in order to better serve the rapidly growing Westdale shopping district and its associated traffic.
